MIAMI-DADE

Opa-Locka Heritage Journey

THE CITY OF
OPA-LOCKA
FLORIDA

Tri-Rail riders are in for an unforgettable journey through art, history, and culture in the vibrant city of Opa-Locka! Just steps from the train platform, immerse yourself in a world of stunning public art, explore a captivating history museum, and stroll through a heritage trail lined with iconic Moorish Revival architecture. Discover the fascinating story behind this Arabian Nights-inspired community, founded in 1926 as Miami-Dade County's eighth-oldest municipality. While you're here, support local businesses and experience the unique charm of this historic gem!

City of Miami Black Police Precinct and Courthouse Museum

As a historical museum that features both the stories of those who worked out of the building and addresses the time period for which the establishment of the facility was provided, we use the center for conversations, guided tours and exhibits around equal access to justice under the law.

Pérez Art Museum Miami (PAMM)

Pérez Art Museum Miami (PAMM) is a vibrant cultural destination dedicated to modern and contemporary art, showcasing diverse voices from Miami and beyond. Located on Biscayne Bay, PAMM offers dynamic exhibitions, engaging programs, and immersive experiences. Visitors can enjoy waterfront dining at Verde, a restaurant featuring locally inspired cuisine and stunning views, and explore unique gifts, books, and art-inspired items at PAMM Shop. Designed by Herzog & de Meuron, the museum's striking architecture blends seamlessly with its natural surroundings, offering a welcoming space where art, culture, and community come together.

BROWARD

Museum of Discovery & Science

Take off into adventure at the Museum of Discovery and Science (MODS), 150,000-square-foot of hands-on exploration! Dive into the Discovery Spot for early learners (ages 0-6) and their families, unleash creativity in Florida's only aviation-themed Makerspace, build in the MAGNA-TILES® Studio with 10,000+ pieces and explore LEGO® Build the Change. Journey through wildlife habitats and the outdoor Science Park, experience thrilling STEM shows and live animal encounters. Whether launching rockets, piloting simulators or engineering creations, MODS makes science come alive for all ages.

History Fort Lauderdale

History Fort Lauderdale offers self-guided and guided tours through the early days of Fort Lauderdale along the New River. The self-guided tour includes admission to the New River Inn Museum of History. The full guided tour includes three buildings, the New River Inn Museum of History, the 1907 Pioneer House Museum, and the 1899 Schoolhouse Museum. The guided tour will take approximately 2 hours with less than a mile of walking.
